Fees for DS-230 Filing

Due to the implementation of Hague Convention, all families who have filed I-800A will need to go through this new Hague DS-230 filing processing. American consulate in China has made it very clearly that all fees paid to the USCIS and all required documents must be hand delivered by Great Wall in-country facilitator to the Guangzhou consulate. This requirement results in additional work by Great Wall staff and its facilitator, extra expenses including bank charges, and express mail cost. The fees are as follows:

USCIS DS-230 fee	\$230
Sending and receiving bank international wire fees	\$35
Beijing/Guangzhou round trip express mail fee	\$30
GW facilitator and service fees	\$80
U.S to Beijing China DS-230 Documents International Express Mail fee	\$75
Total Amount Due	\$450

Please send your payment along with your referral acceptance and other relevant documents.
