

## Fees for DS-230 Filing

Due to the implementation of Hague Convention, all families who have filed I-800A will need to go through this new Hague DS-230 filing processing. The American consulate in China has made it very clear that all fees paid to USCIS and all required documents must be hand delivered by the Great Wall in-country facilitator to the Guangzhou consulate. This requirement results in additional work by Great Wall staff and facilitator, extra expenses including bank charges, and express mail cost. The fees are as follows:

USCIS DS-230 fee	\$230
US Consulate (in Guangzhou) fee for converting USD to RMB	\$30
Sending and receiving bank international wire fees	\$35
Beijing/Guangzhou round trip express mail fee	\$30
GW facilitator and service fees	\$80
U.S to Beijing China DS-230 Documents International Express Mail fee	\$75
<b>Total Amount Due</b>	<b>\$480</b>

**Please send your payment along with your referral acceptance and other relevant documents.**
